Edmark Reading Program Online

How to Add Teachers

1. Go to https://edmarkreadingonline. com, and sign in to your account. (Only the School Admin can add teachers and will let teachers know their Sign In information and how many student seats they may use.)

2. In the USERS column, click **Add Teacher**.

3. In the box that pops up, enter the teacher's first and last names, enter the teacher's email, assign a password, and click **Save**. (The password must be at least 8 characters and is case sensitive.)

4. Teachers can make assignments and see reports for their own students only.
